### Geography - Hot & Cold Countries & The Seven Continents of the World

I will lift up my eyes to the hills, where does my help come from? My help comes from the Lord, the maker of heaven and earth."

Psalm 121 v 1-2

What should I know ...	I will be taught facts on...	Key Questions ...										
<ul style="list-style-type: none"> <li>To comment and ask questions about aspects of their familiar world, such as the place where they live or the natural world</li> <li>To show care and concern for living things and the environment                             <ul style="list-style-type: none"> <li>To look closely at similarities, differences, patterns and change</li> <li>To know about similarities and differences in relation to places, objects, materials and living things</li> </ul> </li> <li>They talk about the features of their own immediate environment and how environments might vary from one another</li> </ul>	<p style="text-align: center;">I will be taught facts on...</p> <div style="text-align: center;">  </div> <ul style="list-style-type: none"> <li>Name the world's seven continents and five oceans</li> <li>Locate the world's the seven continents and five oceans</li> <li>Identify seasonal and daily weather patterns in the United Kingdom                             <ul style="list-style-type: none"> <li>Identify the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</li> </ul> </li> <li>Locate land and sea on maps</li> </ul>	<p style="text-align: center;">Key Questions ...</p> <ul style="list-style-type: none"> <li>Where are the hot/cold places in the world?</li> <li>What is the weather like in the hot places of the world (near the Equator)?</li> <li>What is the weather like near the cold places of the world (North or South Pole)?</li> <li>How is the weather at the Equator/Poles different from the weather in our country?</li> <li>What sorts of animals live in that hot/cold place?</li> <li>What sorts of plants grow in that hot/cold place?</li> <li>What are the seven continents and five oceans called?</li> <li>Can I locate the continents and oceans on a world map?</li> </ul>
