Geography – A Contrasting European Region

I will lift up my eyes to the hills, where does my help come from? My help comes from the Lord, the maker of heaven and earth.”

Psalm 121 v 1-2

<p style="text-align: center;">What should I know ...</p> <ul style="list-style-type: none"> • Name and locate counties and cities of the United Kingdom • Facts about a region of the United Kingdom • Describe and understand key aspects of physical geography and human geography, including: types of settlement and land use etc. • Use a wider range of maps (including digital), atlases and globes • Use maps and diagrams from a range of publications e.g. holiday brochures, leaflets, town plans • Make and use simple route maps • Recognise patterns on maps and begin to explain what they show • Label maps with titles to show their 	<p style="text-align: center;">I will be taught facts on</p> <ul style="list-style-type: none"> • Locate the world’s countries, using maps to focus on Europe (including the location of Russia) • Identify the position of latitude, longitude, Equator, Northern Hemisphere • Learn about a region in a European country <ul style="list-style-type: none"> • Children will explore similarities and differences between the region being studied and regions of the U.K. with which they might be more familiar • Be aware of its broader geographical context, such as the country and continent in which it is located • A wider range of maps (including digital), atlases and globes to locate countries and features studied • Use maps and diagrams from a range of publications e.g. holiday brochures, leaflets, town plans • Use spreadsheets, tables and charts to collect and display geographical data • Make use of geography in the news – online reports and websites 	<p style="text-align: center;">Key Questions ...</p> <ul style="list-style-type: none"> • What do the children know already about this region? What would they like to know or find out? • Where is the region located? How far away is this region? • What is the physical geography like e.g. climate, landscape, rivers, mountains etc? What distinctive features does the region have? • What is the human geography like e.g. settlement size, transport, tourist attractions, economic activity and trade links? • How does location, climate etc. have a bearing on economic activity in the region? • What are the similarities and differences between this region and the region of the UK that has been explored previously in Year Three? • What are the lives of children in this region like? How are their lives similar to ours? What would it be like to live in this place?
