Reports

We hope you all were as proud as we are with the children and their end of school reports.

They have all worked really hard this year and it shows.

Thank You

Year 6 SATS

A massive congratulations to our amazing Year 6 children who achieved the best SATs results our school has ever seen! These children have shown resilience and determination this year and have overcome the adversity of the COVID pandemic and gone on to realise their full potential ready for the next stage of their education and life. Well done everyone—we are so proud of you.

Thank you to Mrs. Roberts and Mr. Saville who worked tirelessly this year but always had the emotional welfare and happiness of the children at the core of everything they did.

Thank you to each and every member of staff who has worked with these children over the past 7 years—as always, it's a team effort at Hapton!

And last but most certainly not least—Thank you to parents for all your support in helping prepare the children for their SATS xx

Uniform

We have noticed the uniform standard is slipping and although it is almost the end of term, children must wear black shoes for school (trainers are not permitted). If children are wearing trainers, they will be given black pumps to wear. We understand that school shoes can get too small this time of year, however we still want our children looking smart. We have school shoes in our Uniform shop in the school entrance and ask for a £1 donation.

Thank you

Please can we ask that all payments for Dinner Money, Breakfast Club and School Trips are all paid in full by Thursday next week as it is the end of our school year.

This will be our last newsletter for the school year so I hope you all have a lovely summer and enjoy spending quality time with your family and friends. I wish Year 6 the very best for starting their new school in September, I'm sure you will continue to work hard and do great things! Remember you will always be a part of our Hapton family xx

See you in September!
