"Do to others as you would have them do to you." —Luke 6:31

Welcome Back!

Welcome back to all our wonderful families and children! Welcome also to children new to Hapton this year who have come from another school and a welcome to our new Reception children, and their families, who are just starting out on their school journey.

It has been a really lovely week in school and all the children are settling well and living out our Christian value of friendship. I am excited to see what this year will bring for us all.

As ever, my door is always open, so please feel free to come and speak to me or give me a call with any problems or issues you may wish to discuss and I will do my best to help.

Warm regards,

Mrs. Leyland xx

Our Christian Value this half term is—Friendship

Those children who are seen to be displaying our Christian Value will be awarded our Headteacher

Value Award and will receive a little treat with Mrs Leyland at the end of the half term.

Help to download School Spider

on writing this year in school
— so any practice at home is
greatly appreciated!

Applying for a school place

Our Year 6 pupils will need to apply for their High School place before [31st October 2023](#)

If you have a child due to start Primary School or know anyone who does, they have until [15th January 2023](#) to apply for their school place.

All applications are done via GOV.uk, search school admissions.

We have advertised some of the local High School open days/evenings on our events calendar on our website. We will continue to update this as and when we are made aware.

If you need any help, please feel free to contact the office.

This week the children brought home a Flu Immunisation consent letter.

Please could you sign this letter and return it to school ASAP.

Please complete the letter to let us know if you DO or DO NOT wish your child to receive the immunisation.

If you need a spare copy of the letter, please collect one from the office.

Thank You

[Data Collections](#)

Next week, we will be sending out to you all a Data Collection sheet from our system.

This is to ensure we still have the correct contact details for your child and family members.

Please check all mobile numbers are correct. There is nothing worse than having a sick child and not being able to reach their parents.

Please make any changes on the form where necessary and return it to the office ASAP.

Thank You
