Did you know through playing Beat the Street this Summer, our school earned trees for the community!?

Thousands of trees will be planted across the borough over the next 4 months, and **we need your help!**

We are encouraging you and your families to get involved in this fantastic initiative. There are some weekend dates coming up, along with some weekday mornings and afternoons, if parents, grandparents and other family members want to show their support too.

For more information and to stay up to date with all planting plans visit: <https://burnley.gov.uk/parks-green-spaces/plant/>

Please spread the word, save a date, and get outdoors.

Class 1 Nativity

'We're going on a baby hunt'

Just a reminder, Class 1 are performing their nativity on Monday 11th December at 2.15pm in the hall.

We would like to welcome parents and grandparents of our Class 1 children along to watch their performance.

They have been practising so much, we are so proud of them!

Polite reminder, please do not take photographs or videos of the performance.

Attendance

Although the next few weeks are very exciting we would like to remind you how important full attendance in school is to your child/ren.

The children will still take part in lots of learning everyday and we want all of our children to take part in all the exciting plans we have arranged in school for them.

Please ensure children arrive to school everyday at 8.45am and stay until 3.15pm.

We encourage you to make medical appointments out of school times where possible. If your child needs to leave school for a medical appointment please provide an extra appointment card so we can keep this on file and mark their absence accordingly.

In the new year, we will be introducing a new reward scheme for the children based on their attendance.

More details will follow.

Aladdin Panto

Next Thursday 14th December is our Panto trip. (Oh no it isn't!)

Please ensure children arrive to school on time at 8.45am. We will not be able to wait for any late comers as we will miss the beginning of the show.

If your child suffers from travel sickness, please medicate them before the trip in the morning and notify their class teacher.

We are really looking forward to it!
